“Working with Mira feels like being with an old friend

“We cannot say enough about how amazing Mira is. We booked with her to do our engagement and wedding photos and from the start she was nothing but kind and accommodating. We were so happy with our engagement photos, which she walked us through as we did them, and made us feel very comfortable.

Very last minute we decided to elope and she happily and quickly agreed to come and shoot it. We could not be happier with the results. Working with Mira feels like being with an old friend. She strives to make sure that you are happy while capturing beautiful moments. We are so grateful that she was able to be part of our elopement, and will forever cherish the memories that she captured for us.

SECOND SHOOTER

The perfect solution to cover multiple locations or big weddings.

As much as I'd love to clone myself and be in two spots at once, it's a lot easier to get extra coverage if you choose to have a second shooter on the day.

This is a particularly good idea if:

- you have a large guest list, and want to make sure we get shots of everyone that's there on the day
- you and your partner are getting ready at the same time, and the locations are far apart
- you're wanting photos of the ceremony and reception styling, prior to the arrival of your guests

Basically, the second shooter will act as my wingman/ wingwoman, doubling the coverage of your wedding.

We'll team up to make sure that everything is captured, from start to finish. locations far apart. Lastly having a second shooter will ensure photos are taken of the ceremony and reception styling, undisturbed by guests.

+\$1000 for a second shooter

STYLED ENGAGEMENT SESSION

Creative session for the two of you

How many professionally taken photos do you and your partner have, ones that you really love and can fill your home with?

An engagement shoot is a chance for us to capture some really beautiful, creative and candid photos of you and your partner in a relaxed environment. Just the two of you, being you.

These sessions have their own philosophy. We come up with an art direction together and style them accordingly.

Plus, it's the perfect opportunity for you to practice being comfortable in front of the camera, in the lead up to your wedding day.

Either way, I promise that we'll have a lot of fun while we're at it.

Price and Information Guide

A full-page background image of a wedding couple in a forest. The groom, in a dark suit, is kissing the bride on the cheek. The bride is wearing a white lace wedding dress with a long veil and holding a bouquet of flowers. They are standing in front of a rustic wooden altar with a gothic-style archway. The forest has tall trees and a ground covered in fallen leaves. The text 'FAQ' is overlaid in white serif font.

FAQ

Where are you based?

I'm based in Northumberland county, Ontario. I live in Colborne but my life is somewhere between Port Hope and Cobourg, Grafton.

We are very awkward when it comes to photos! Can you help us?

That's fine! One of the things I am known for is helping people to relax and essentially forget about the camera. My goal is to get you to have fun and focus on your loved ones. It's about making memories and not poses right? I will help you and walk you through the whole thing!

Do you photograph elopements?

If you and your partner are thinking of skipping the fuss and running off to do a private ceremony with just the two of you or a handful of your nearest and dearest, I'd be absolutely honoured to document your intimate ceremony. Our elopement packages start at 4 hours' coverage, so get in touch if you'd like to learn more.

How many photos will I receive?

You'll receive over 600-800 photos, depending on how many hours we shoot and how jam-packed your wedding day is!

How will I receive my photos?

First, I'll send you a handful of sneak peek shots a couple of days after your wedding. 4 weeks later, you'll receive a link to your online gallery and slide show to watch and relive your wedding day. A little later, you'll also receive a beautiful package in the mail with a USB.

What happens if disaster strikes?

This has never happened and will NEVER happen. However, if it did, I have contacts that will be able to step in. These are other talented photographers who will take good care of you.

Do you have a payment plan?

Yes, we can organize to split your payments into four instalments. Just let me know if this would suit you.

Can I print my photos?

Of course, I'd love for you to print your favourite photos! You can easily order photos prints through your online gallery. It's an amazing quality and service.

What if I have to cancel or move my booking?

Life is complicated and the unexpected is to be expected. The deposit is non refundable as this helps to protect my business due to turning away all other booking for your wedding date. I hope you understand that deposit is insurance for my business to stay afloat in the event of a cancellation. However if you have to move your date I will transfer your deposit to the new date as long as I am available for the new date.

What if rains?

I have umbrellas! I mean I highly recommend to just embrace the day the way it unfolds. Crazy weather only makes your day more special and unique! But if you need a piece of mind I do have pretty clear umbrellas available for rent. So you don't have to worry about your photos! \$5 per umbrella. \$20 is the cost of replacement if they damage/break.

LOVE NOTES & KIND WORDS

Testimonials I've received from other couples

“All of Mira's work is high quality but with a beautiful personal touch.”

Mira is absolutely amazing! She took our engagement and wedding photos and I am so very happy with the results. Mira is extremely confident, calm, and enthusiastic which she made our experience so enjoyable. All of Mira's work is high quality but with a beautiful personal touch. We are so happy that we chose Mira to capture our special day

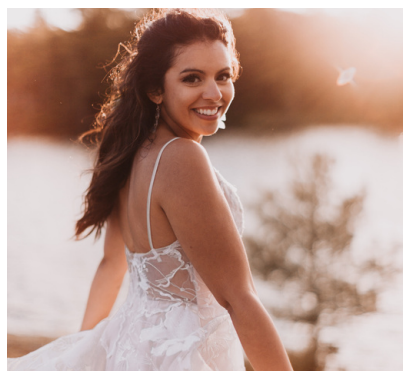

– Karissa & Noll

“We were amazed at how perfectly she captured our special day.”

Mira was our wedding photographer in October 2020. She was wonderful! Her bubbly personality made us so comfortable in front of the camera. She even gave us funny prompts to get the most beautiful shots and made us feel like models! Mira was awesome with the kids and the family to get shots of the whole group. She was quick with getting us our teaser shots after the wedding so we could show them off and we were amazed at how perfectly she captured our special day. We look forward to working with Mira again in the future!

– Samantha and Jacob

“Book her - you won't regret it!”

When I was searching for a wedding photographer, I was looking for someone who would really be able to capture the emotions of the day (I'm not the biggest fan of the staged smiling photos). The result was perfect - exactly what we had hoped for and let me add that Mira definitely didn't have the easiest day. Our wedding was in 2020 - smack in the middle of a pandemic and we changed the plan last minute to elope at our cottage. Mira took it in stride and didn't miss a beat! She showed up ready to have a great day and despite a tropical storm hitting a cottage elopement on an island, I was actually shocked at how nice the photos were. The weather was definitely a challenge but Mira made everyone look like angels haha. She was responsive and quick with sneak peeks (got them the night of), helped us with a photo book after and is someone I am happy to now call a friend. Book her - you won't regret it!
